

# Gluten Free Map of North End

## Bencotto

Thin crust with an assortment of toppings to choose from. Nice flaky crust that for once didn't fall apart.

## Beneventos

Expansive gluten free menu including pastas and pizza. They even have a menu that clearly spells out what is and what is not gluten free.

## Ristorante Fiore

Allow an extra 15 minutes for your gluten free dish to be prepared so keep that in mind. Most of their menu can be made gluten free.

## Antico Forno

They make their own penne style gluten free pasta. No gluten free desserts but the food is great.

## Lewis Warf Parking

Parking for \$20 after 6pm

## Caffe Vittoria

They have gluten free gelato along with an assortment of gluten free dessert cocktails and drinks.

## Terramia Ristorante

Their sauces are delicious but they do not make their gluten free pasta. They have outdoor seating during the warmer months.

## Modern Bakery

Modern is famous for its cannolis in general and they can come gluten free! They have many other treats as well but only a small amount come gluten free. Check out the speakeasy downstairs! Very unique experience.

## La Famiglia Giorgio's

Sweet little place with plenty of options, including homemade pasta, pizza crust, and bread. Plenty of dessert as well!
